PREPAREDNESS PLAN AT-A-GLANCE

Holy Name of Jesus has developed a Preparedness Plan to guide our return to on campus events and ministries. It is important to note that this a fluid situation. This plan is a living document and will change as we continue to assess the data and information provided by federal, state and local health organizations. HNOJ is doing everything we can to reasonably mitigate risks to our parishoners, volunteers, and staff. We are committed to continuing to work together for the physical and emotional well being of our community.

OUR COMMITMENT

- Limited group size for faith formation classes and small groups to ensure social distancing can be upheld.
- Drinking fountains will be disabled (bottle filling stations will be operational).
- High traffic areas will be marked with direction arrows as well as instruction signs around the building.
- Preparedness plan if a student or household tests positive for Covid-19

In addition to the above commitments, here are a couple of other safety measures HNOJ is requesting parishioners take:

- If you or anyone in your household is experiencing symptoms (fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion, runny nose, nausea or vomiting, diarrhea) do not attend in-person events or gatherings at HNOJ.
- Keep good hygiene with regular hand washing.
- Avoid touching their eyes, nose, and mouth especially with unwashed hands.
