

# April 30, 2017 12-8:30pm

The high school men's retreat is for real men who are looking to have fun, get real, and be honest about what really matters. We are called to be great men living for a great God. Together we will take a courageous step forward in becoming the men we are called to be. After a day of deep conversations, serious fun, and prayer that goes deeper:  
God is closer and faith makes sense.
