## Old Hymnals

Our old green Gather hymnals are available if you would like one. Two hundred of our old hymnals will be donated to local churches and the remaining books will be recycled. Please stop by the parish office and pick one up.

## New Hymnals

You probably noticed the new blue hymnal in your pew today, Gather Third Edition. Our well-loved and well-used green Gather books served our parish for over twenty years. Our music ministry has been planning a change for the past several years. The Praise and Contemporary Choirs have been using the new hymnal for two years.

The new Gather hymnal includes traditional hymns, Chants, songs from the post-Vatican II era that are found in most Catholic parishes and multi-cultural selections. In addition to the familiar there is a broad selection of new music in popular style. There are eleven musical settings of the Mass, including several that we already sing at Holy Name of Jesus. This hymnal represents the musical diversity of the era in which we live and worship and it will carry us forward praising God in song.

### *Scripture of the Week*

"He instructed them to take nothing for the journey but a walking stick - no food, no sack, no money in their belts."  
(Mk 6:8)

It takes a radical faith to journey without anything but the tunic (shirt) on your back. Yet it was this radical faith which prompted Amos to leave home and the profession he had been practicing in order to follow the Lord's command and preach to a people who did not know him.

This type of faith is difficult, but if we remember who we are - adopted sons and daughters of the Father - it becomes a bit easier. It would still be difficult to trust so radically as to go out and leave all provisions behind, but the Lord honors our efforts at detaching from the things of this world.

And it helps to remember that this world with all its trappings is not our goal. Our destiny as adopted children of God, His chosen ones, is happiness with Him forever. Then, as now, all our needs will be provided for.
