Returner Application

*All returning participants in addition to the full application should complete this "Returner Application." If you have any questions, please contact Chris at [ckostelc@hnoj.org](mailto:ckostelc@hnoj.org).*

What are three characteristics of a successful returner? Explain.

What did you learn on your first trip to Casa San Salvador that you can apply to your trip as a returner?

What aspects of the preparation process do you find most important?

Being specific, how would you exert leadership towards the first timers?

Describe what you believe the role of returner is compared to that of a first timer?

An adult leader challenges you on your commitment to preparation before and/or while participating on the trip, how do you respond?

If communication is a two way street, what role in communication would you take as a returner?

Describe positions of leadership you have held and explain how you would use skills acquired there, to better lead as a returner.

How has your trip experience last summer changed your view of the world? Your faith? Your prayer life?

If you could change the trip in 3 ways, what would they be?
