

The Search at HNOJ 2021

Each group that meets to discuss *The Search* at HNOJ will need to decide how many group meetings they will hold. Deciding on the number of meetings may be set by the weeks of Lent and what day the group is meeting.

The method of grouping chapters was based on number of pages participants would need to read per meeting. We sought to stay below 25 pages per meeting. Below leaders will find a break down of the chapters based on a 5, 6 or 7 Meeting schedule.
