Growing in Gratitude

By Fr. Wratkowski, Pastor

"I give thanks to my God always, remembering you in my prayers, as I hear of the love and the faith you have in the Lord Jesus and for all the holy ones." Saint Paul writes these tender words to members of a Christian household in his Letter to Philemon. While Paul's mission to spread the Gospel led him away from the very Christian communities he founded, he always held them close to his heart in prayer, moved to gratitude as he called to mind their shared love for God and for their brothers and sisters in Christ.

That "Pauline prayer moment" often comes to me in the rare but treasured moment of a free and quiet evening on campus, where I will walk around and pray a rosary. I cannot help but smile when I run across the artistic chalk renderings by our school children on the pavement. Their creativity is marvelous, but what brings warmth to my heart is the consistency of seeing this message inscribed by colorful chalk: "We love HNOJ."

Now, I'm unaware of any large propaganda campaign facilitated by our church and school staff to convince our young people to write positive messages in the hope that perspective students and parishioners might see them. Rather, it is a natural expression, a fruit we might say, of the work that God

is doing in our parish. For the kids, they cannot help but respond to the goodness and love they have experienced except by expressing that love in return, through the simple gift of a message written on chalk. I doubt those kids know how much those words encourage me.

Sometimes, our gifts of time, talent, and treasure can seem so small. We can even wonder: Is this worth giving? Is it worth giving a few hours of volunteering? Is an hour a week in adoration of our Lord in the Blessed Sacrament worth anything? Is my financial gift received in gratitude by God? The answer is resoundingly "Yes!" It's all those small things that make HNOJ the place it is, because they are all avenues for God to share His grace and His life with us. And it is for all those gifts, whether big or small, that I give thanks to God as I thank God for you.

"Men's ministry has deepened my understanding and reverence for the Mass, as well as integrate the faith more into my daily life. Getting to know the other men and praying together has truly made HNOJ feel like home." - Joe

A Legacy of Compassion

The generosity of our parishioners reaches far beyond our parish walls. Through donations from HNOJ and the Good Samaritan Fund, we support people in need in our community, pro-life organizations, IOCP, NPH, and other worthy causes - providing practical help and hope both close to home and around the world.

This spirit of compassion is at the heart of the Good Samaritan Fund, established by Fr. Arnold Weber and affectionately known as "Arnie's Door." What began as a way to help people who came to his office during difficult times continues today. We prudently manage the fund so future generations can receive that same compassionate help when they need it most. Thank you for making it all possible.

Growing in Gratitude - Stewardship Invitation, Oct. 3-4

Growing in Gratitude begins with recognizing how generously God has blessed our lives and allowing that gratitude to shape how we live. We respond through prayer, by participating in the life of our parish, by sharing what we have, and by caring for one another. Each is a way we live out our faith and help bring the love of Christ to others.

During our **Stewardship Invitation, Oct. 3-4**, we invite you to prayerfully consider how God may be calling you to share your gifts. You may return your commitment form at Mass or complete it online at hnoj.org/stewardship

We are deeply grateful for your continued generosity and for the trust you place in Holy Name of Jesus. From our pastor to every member of our staff, we are all stewards of the gifts you entrust to our parish. We take that responsibility seriously, using your generosity wisely to support our mission, care for our parish home, serve our community, and plan responsibly for the future. **Together, we are Growing in Gratitude and building a strong foundation for generations to come.**

Generosity and Stewardship at Work

We are grateful for the continued generosity and strong support of our parishioners. Collections grew 7.5%, from \$3.35 million in FY2025 to \$3.60 million in FY2026, providing a strong foundation for our parish and its mission.

At the same time, operating expenses increased 4.4%, reflecting higher school, healthcare, and operating costs, as well as the implementation of Minnesota Paid Leave. We expect operating costs to continue to rise in the years ahead.

As stewards of the gifts you entrust to us, we have developed a responsible and balanced FY2027 budget. With the support of our Finance Council, we have also established reserves and continue to build them as we plan for future needs and the long-term financial health of our parish.

Thank you for your generosity and the trust you place in Holy Name of Jesus.
